

Oshawa Little Theatre's Summer Youth Theatre Program 2025

Registration for Oshawa Little Theatre's Summer Musical Theatre Intensive Program is opening in a few weeks! This summer, we will be offering four two-week Musical Theatre Bootcamp sessions for **ages 7 to 14**, offering two separate performances each session. The summer program will run from Wednesday, July 2nd to Friday, August 22nd, from 9am to 4pm each day. **Please note that due to how the holidays fall Session 1 will include a Saturday Camp Day so that a full 9-day program is still an opportunity.*

Throughout the two weeks, you will have the opportunity to work with Directors who will help you to develop performance essentials like audition skills, character development, and how to speak your lines clearly and directly; Musical Directors, who will guide you in developing your singing, breathing, voice projection and tone; and Choreographers who will work with you on dance skills, how to move onstage, and how best to learn choreography and love it!
