

OLT FROZEN – AUDITION INFORMATION NIGHT

Do you “Want to Build a Snowman”? Or perhaps you think “Love is an Open Door”? If so, then it’s time to “Let it Go!”. With excitement swirling like snow, the Artistic team of the Oshawa Little Theatre’s 2026 presentation of FROZEN the musical, will be hosting an information night, via zoom, for anyone interested in auditioning and/or participating in our upcoming production. This session will take place:

Tuesday, April 14th at 7:30pm.

This information night will give all those interested the opportunity to hear about the audition and callback process, details on how to prepare for the audition, as well as an opportunity to provide those attending to meet and ask questions of the production team. This is an optional meeting and is NOT required to be eligible to audition. We look forward to welcoming as many excited and enthusiastic persons as possible as we embark on this exciting project.

Auditions will be taking place on May 11, 12, 19 and 20th at 6:30pm with callbacks to take place on May 25th. Rehearsals begin “In Summer”!

To register for the information meeting:
